Author Steve Kubicek, a successful corporate executive, ordained deacon, and inspiring speaker, created the book to show readers how to adopt the Up-and-In point of view—a powerful, transformative, uplifted, inspired mindset that turns down-and-out attitudes upside down. An inventive, inspiring, and invaluable resource, Up and In has garnered high advance praise, including: “one of the most encouraging books that I have read...practical and filled with pearls of wisdom”; “a great personal resource”; “a breath of fresh air.”

A powerful book with a simple premise, Up and In presents a self-guided tour to unlocking potential. Drawing on a wellspring of personal experiences, insights from those who provided inspiration, as well as Biblical wisdom, Kubicek crafted Up and In, an exceptional collection of 42 daily readings designed to inspire, encourage, challenge, renew, and uplift.

With gentle humor, uplifting anecdotes, inspiring quotes, and Scripture woven throughout, Up and In takes readers on a rich, rewarding, and meaningful journey of reflection, discovery, and transformation. Resplendent with simple truths and powerful personal testimony, timeless Scripture and timely insights, Up and In reveals the seven keys to unlocking one’s potential. Moreover, each reading includes a special “Discovering Treasure” recap designed to encourage readers to dig deeper and give thoughtful consideration to the day’s message.

Uplifting and affirming, Up and In addresses such issues as: uncovering true worth and potential; confronting damaging thinking and habits; developing the tools to rebound from setbacks; outlining the path for discovering significance and more.

With the deft touch of a true storyteller and an unmistakable faith, Kubicek created a book that is anything but an ordinary self-help guide: with its conversational, inviting, and warm tone, Up and In is part good friend/trusted confidant/wise-mentor-in-a-book, part road map to a meaningful life, part inspiring companion—and wholly enriching. Moving and motivational, thoughtful and thought-provoking, Up and In is an extraordinary—and extraordinarily valuable—resource.

Steve Kubicek has more than thirty years of U.S. and international sales and marketing experience. As a successful Fortune 500 corporate executive, Kubicek oversaw billions of dollars in annual sales.
